What Are the Limits On LASERLINC's Liability?

Except as set forth in the express warranty contained herein, purchaser takes the product "as is," and LASERLINC makes no warranty or representation, and there are no conditions, express or implied, statutory or otherwise, of any kind whatsoever with respect to the product, including but not limited to: the merchantability of the product or its fitness for any particular purpose or use; warranties of title or non-infringement; design, condition, quality, or performance of the product; the workmanship of the product or the components contained therein; or compliance of the product with the requirements of any law, rule, specification, or contract pertaining thereto. Nothing contained in the instruction manual shall be construed to create an express warranty of any kind whatsoever with respect to the product. All implied warranties and conditions that may arise by operation of law, including if applicable the implied warranties of merchantability and fitness for a particular purpose, are hereby limited to the same duration of time as the express written warranty stated herein. Some states/provinces do not allow limitations on how long an implied warranty lasts, so the above limitation may not apply to you. In addition, LASERLINC shall not be liable for any damages of any kind resulting from the purchase, use, or misuse of, or inability to use the product or arising directly or indirectly from the use or loss of use of the product or from the breach of the express warranty, including incidental, special, consequential or similar damages, or loss of anticipated profits or benefits, or for damages arising from any tort (including negligence or gross negligence) or fault committed by LASERLINC, its agents or employees, or for any breach of contract or for any claim brought against purchaser by any other party. Some states/provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights, which vary from state to state/province to province. This limited warranty shall not extend to anyone other than the original purchaser of this product except as stated above. If any portion of this limited warranty is held illegal or unenforceable by reason of any law, such partial illegality or unenforceability shall not affect the enforceability for the remainder of this limited warranty which purchaser acknowledges is and will always be construed to be limited by its terms or as limited as the law permits. The parties understand that the purchaser may use third-party software or equipment in conjunction with the product. LASERLINC makes no warranties or representations and there are no conditions, express or implied, statutory or otherwise, as to the quality, capabilities, operations, performance or suitability of any third-party software or equipment, whether such third-party software or equipment is included with the product distributed by LASERLINC or otherwise, including the ability to integrate any such software or equipment with the product. The quality, capabilities, operations, performance, and suitability of any such third-party software or equipment lie solely with the purchaser and the direct vendor, owner, or supplier of such third-party software or equipment, as the case may be. This Limited Warranty allocates risk of Product failure between Purchaser and LASERLINC, and LASERLINC's Product pricing reflects this allocation of risk and the limitations of liability contained in this Limited Warranty. The agents, employees, distributors, and dealers of LASERLINC are not authorized to make modifications to this Limited Warranty, or make additional warranties binding on LASERLINC. Accordingly, additional statements such as dealer advertising or presentation, whether oral or written, do not constitute warranties by LASERLINC and should not be relied upon.
